You have been referred to:

Dietician

Susan Mac Dermott / Sara Rigney

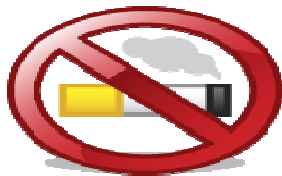

The dietician gives advice on changes to make in your food intake to improve your health. There are several clinics a week from 9am to 5pm. You will receive an appointment in the post. Your appointment will last 40 minutes.

Smoking Cessation Clinic

Jose Ayala

This is a one to one service, offering non-judgemental support and information to help you to stop smoking when you're ready. Clinics operate on Tues from 9am – 1pm. An appointment will be sent to you in the post. Your first appointment will last about 40 minutes.

Podiatrist

Mike Hannon

If your GP is participating in the Diabetes Care Programme you will be referred to see the podiatrist to have your feet checked for any problems. Clinics operate on Wed 9am – 5pm. You will receive an appointment in the post. Your first appointment will last about 30 minutes

Continence Promotion Clinic

Fiona Clifford / Patricia Treacy

The nurse specialist will provide one to one support and education to treat bladder and bowel problems. Clinics operate on the first Monday of every month from 9am - 1pm. Your first appointment will last about 45 minutes.

Community Warfarin Clinics

Margaret O'Connell

If you are on warfarin, your GP can refer you to a local Community Warfarin Clinic. At this clinic, your INR will be checked and your Warfarin prescribed by a GP. Your appointment should last approximately 15 minutes. If you would like further information on this service please contact Janice at 7085724.

Wound Clinic

Helen Dolan

Your GP will refer you to the nurse specialist at the wound clinic. Clinics operate Mon – Fri 9am – 1pm. We will phone you with an appointment time. Your first appointment will last about 60 minutes.
